Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Correction of Inventorship

The request to correct the inventorship of this nonprovisional application under 37 CFR

1.48(a) is deficient because:

The request to add the inventors indicates following inventors being added

Andreas Bensch
Herbert Harder
Andreas Kiefer
Klaus Peter Reinhold

Whereas the declaration accompanied indicates following inventors being added

Andreas Bensch
Herbert Harder
Andreas Kiefer
Klaus Peter Weinhold

Thus there is inconsistency between the request and declaration as to name of one of the inventor being added.

Therefore the request for correction of inventorship is being DENIED.

/Tulsidas C Patel/
Supervisory Patent Examiner, Art Unit 2839
